

Mario Finazzo

General radiologist with more than 20 years of experience in the public and private sector. Expertise in cardiovascular, oncological, musculoskeletal and emergency CT, musculoskeletal, body and vascular magnetic resonance, internistic ultrasonography, conventional radiology.

I took my degree in medicine 1993 and my specialization in radiology in 1997. I worked in in the academic hospital of Palermo for three years and in the biggest hospital of Sicily for eleven years. Now I lead a private practice in my town, Palermo. I attended many meetings such as RSNA, ECR, ESMRMB, SIRM and courses on cardiovascular CT and MRI in the Netherlands (Leiden, Rotterdam) and Germany (Erlangen). I co-authored 46 publications, 10 book chapters, 5 ebooks (EPOS, EURORAD).
